Sokolow, Lofaro, Wostrel

Intro

In the morning Just Smile, In the evening Just Smile,
In the morning Just Smile

Verse 1

Riding down into New York City
No sleep, sneakers on, tryin' to look pretty
The sun is shinin' not a care in the world
Can't wait to get there cause I'm a city girl
Now we're looking down from the Top of the Rock
No sound from the crowd fillin' up the block
It's a messed up world, one thing I know is
You'll never have to ride alone

Chorus

Just smile
Get on the bus
Wait till our friends get a look at us
Just smile
Riding in the back
Singing all day wearin' out my Mac
Just smile when you look at me
Have you ever felt this way?
Ba,ba,ba,ba,ba...

Verse 2

Tippin' our toes in Strawberry Fields
Feel the heroes and legends like they're still right here
Imagine the music flowing through the park
I could hear a symphony play in the dark
Now it's late and we're in Times Square
Can you feel the magic in the summer air?
Big screens shine turning night into day
Can we do it again like an instant replay?

Chorus 2

Just Smile

Get on the bus
Wait till our friends get a look at us
Just Smile
Riding in the back
Singing all day wearing out my Mac
Just smile when you look at me
Have you ever felt this way before?
Just Smile

Bridge

A million people make the energy flow
They give it all they got and the city's aglow
No matter where you come from, no matter who you are
You've got the chance to go real far
No boundaries, just feelin', no limit, just believing
Bus Driver take us home, take me back to New York
Riding down into New York City
No sleep, sneakers on, tryin' to look pretty
The sun is shinin' not a care in the world

Chorus 3

Just smile
Get on the bus
Wait till our friends get a look at us
Just smile
We're riding in the back
Singing all day wearin' out my Mac
Just smile when you look at me
Have you ever felt this way before?
Just Smile
Ba,ba,ba,ba...
Just Smile
Ba,ba,ba,ba... Everyone in Brooklyn, Just Smile
Everyone in Queens, Just Smile
Everyone around the world, Just Smile
