

Parade

Vs1
If you could stay
For a minute
For a while
I'd give you the world
Wrap it up pretty
To make you smile

Don't know what to do
Try to convince you not to go
I'll start a parade
Bring out the lions
Put on a show

Chorus
You blinded me forever
If this was all just a Parade
You said you'd leave me never
Now look at the mess you made
I'm not gonna let you, walk away without a blow
And if you don't believe me
I'll put on a show

Vs2
Before I fall apart
I'm looking for answers
Making my rounds
I meant what I said
About all the lions
All I see are clowns

CHORUS

Bridge

Put you in a cage
The world is a stage
The street is a dance floor
We move in our time
With our pretty lies
You get what you ask for
You get what you ask for

You blinded me forever
Was this all just a Parade?
You said you'd leave me never
Was this all just a Parade?

CHORUS

I'll put on a show
