Clara Lofaro at Canal Room

Posted on [March 2, 2011](#) by [James Koroni](#)

[Clara Lofaro](#) filled the room with her beautiful voice and devoted fans on Friday at Canal Room. What charisma! This songstress always brings in an eclectic collection of artists to make for a more powerful presentation. She values the potential to further tell a story by incorporating elements of performance art. Everyone is always moved by her intimate, interactive yet exuberant concerts. To begin her set at Canal Room, Clara engaged her audience with an a cappella song, moved right into [Wrinkled \\$](#) which included my collaborative dance performance, then musician Jordan Scannella, pictured far left, was featured from the band [Jorscan](#).
